

## **STATEMENT OF PURPOSE**

### **RS20153**

Section One of this bill makes clear that the personal representative of a decedent can control the social media of the decedent, such as e-mail, blogs, instant messaging, Facebook types of accounts, and so forth. Section Two gives the same power to a conservator for a protected person. This is an emerging area of law that has no clear coverage in the Idaho Probate Code.

## **FISCAL NOTE**

This bill will have no negative fiscal impact.
